

REAL WORLD LINUX STUDENT APPLICATION

1054 Centre St. Suite 122, Thornhill ON L4J 8E5

Students will be considered on a first registration basis. Priority will be given to students that are able to attend for three consecutive days. It is understood that you will attend the seminars and the trade show in exchange for performing specific job functions while you are at the show.

Examples of the duties you will be selected to do:

- Taking tickets at the seminar room doors.
- Assisting at the registration desk by directing traffic acting as information guides.
- Assisting with audiovisual & computer equipment in the seminar rooms - if your skills apply.
- Picking up speakers at the airport and assisting them with hotel registration. See ★
